

Live Online SAT Course for the March 2021 SAT

--Hosted by Prowess Test Prep--

Maximize your score by taking a prep course with Jim Addeo, Cornell graduate and 99th percentile scorer on the exam. The curriculum is 2-pronged: students will learn the most crucial content of the exam as well as the key ingredients that make up a good test taker – systematic thinking, pattern recognition, anticipation and smart pacing. All Monday meetings will be **live-online via Zoom**. All practice tests will be taken at home but can be sent to the teacher in order to avail you of a grade and detailed score report.
