

WILL POWER

Results from the
Make a Will Month survey

GOT WILL?

The older you are, the more likely you are to have a will. However, we were surprised to see how many millennials have a will and how many baby boomers do not.

WHY MAKE A WILL?

So assets are passed on to the right people **69%**

To take care of my family **54%**

To prevent family disputes **44%**

2-10%

That's how much of their inheritance your family will pay in Probate fees if you die without a Will.*

WHY HAVEN'T YOU?

WHERE IS IT?

Most still use **old school** storage...

48%
At home

41%
Safe deposit box

31%
With an attorney

...only **3%**

keep their will in the cloud

61%

Say it's **not** important to provide for their pet in their Will.

Guardianship of their pets would be undetermined at their time of death.

WHAT HAPPENS TO DIGITAL ASSETS?

63%

13%

"I don't know."

Correct answer: "They live on until legal action is taken."

In 2011, the average value of a person's digital assets was **\$55,000.****
